

Purpose Partnerships...

What do you WANT to do with the REST of YOUR LIFE?

Your life is pulled in many directions—by so many important and good things. It's hard to live intentionally and focused. And really hard to live with purpose...especially when you don't know what your purpose is!

Discover what's next for you...

Create a Purpose Partnership or Purpose Partnership Group that answers these three questions:

Who am I? | Why am I here? | What's next?

Our Purpose Partnership work will clarify and reflect your natural skills and talents. We will bundle them with your values, life experiences, and dreams, and create a personal vision for your life. The end result? More clarity around who you want to be, and what you want to do with the rest of your life.

Wouldn't it be great to live life with more direction? More energy? More passion?

You may be looking for a bridge for crossing into a **new place in life**, or wondering why your **work** isn't as satisfying as it used to be. You may be in **transition**, but you don't know where you're going next.

Let's walk this Path together. Discover what you want to do with the rest of your life and create a plan for pursuing it. Partnership details on the back!

Purpose Partnerships...

What do you WANT to do with the REST of YOUR LIFE?

Purpose Partnerships: You can partner with Gaye for one-on-one work, or create a group facilitated by Gaye and committed to partnering with each other.

Who am I?

Using the Path Elements Profile (PEP™) tool, you will gain **greater understanding** of who you are and clarify why you do the things you do. It will help you focus on your strengths and recognize the challenges, perhaps unnamed, that have been hindering you for years.

Why am I here?

Create a brief, powerful and focused statement of purpose that will **give you direction** towards meaningful fulfillment, for life and work.

What's next?

Identify what you want to do with the rest of your life. Create your Vision Board and a **plan for living the life you are called or compelled to live.**
